YASITH KETIPEARACHCHI

PROFILE

I am a hardworking and an ambitious individual with a great passion towards IT industry. I have strong technical skills as well as excellent inter personal skills which enable me to interact with a wide range of people. I am eager to be challenged in order to grow and further improve my IT skills. I am seeing a position in the industry in which I can put into practice my knowledge and experience, ultimately benefiting the operations of the organization that I work for. I am interested in the fields of Web application development, front-end development, back-end development and Software quality assurance.
